Seeing the Full Picture: Drivers, Processes and Outcomes of the B Corp Movement

Sep 16, 2019, Los Angeles

We invite submissions for the 2019 B Academics Roundtable. Each year this roundtable serves as a productive space for researchers using B Crops as a research context to advance their ideas and for educators teaching about B Corps to discuss best practices for curriculum development.

The roundtable will be held before the B Champions Retreat at the Loews Hotel. There will be a formal session and informal opportunities for researchers & educators to interact with B Lab and the B Corp community. Please join us.
